

## DISCLOSURE OF PRODUCTS

The deposit products described in this disclosure are available through earn.bank, a division of Silvergate Bank, an FDIC insured state chartered financial institution. Deposits are insured by the FDIC up to the maximum allowed by law, with earn.bank and Silvergate Bank treated as the same entity for the purposes of determining FDIC insurance limits on deposits.

### Money Market

Our Money Market Account is available to consumer customers. This account is not eligible for checks, debit cards or Bill Pay services. Deposits can be made to this account by checks, ACH transfer, internal transfer or wire transfer. The account does have access to Online and Mobile banking for transactional purposes. Withdrawals from this account can be completed by transfers to linked external accounts in online banking, or by initiating a request by sending an email to support@earn.bank.

Account Fees: A minimum \$10,000 average daily balance must be maintained to avoid a monthly maintenance fee, otherwise, a \$10 fee will be assessed each month after the first 3 months of the account opening. In addition, you must be enrolled in e-Statements within the first 3 months of account opening to avoid the paper statement fee, otherwise, a \$25 monthly paper statement fee will be assessed.

Interest Information: We use the daily balance method to calculate interest on the account. This method applies a daily periodic rate to the collected balance in the account each day. The daily rate is 1/365-or in a leap year, we may use 1/366-of the interest rate. Funds from items deposited other than cash or checks drawn on an earn.bank account begin to accrue interest on the business day that the Bank receives credit for the items. The rate we pay on some accounts depends on the tier into which the balance in your account falls following nightly processing and after all that day's transactions have posted but before any service charges are deducted and any interest is paid. Rate tiers are updated the next business day following nightly processing. A tier is a range of account balances. Cash and funds from items drawn on an earn.bank account begin to accrue interest on the business day of deposit. Interest accrues and compounds daily and is credited monthly in the Bank's nightly processing order. If the account is closed before interest is credited, you will not receive the accrued interest.

Limitations: You must deposit a minimum of \$ 10,000 to open this account. You may request a withdrawal via phone, email, mail or courier. Federal regulation and this agreement limit you to six transactions per month from among the following:

- Preauthorized transfers,
- Telephone or electronic transfers, including instructions sent by facsimile or data transmission,
- Online Banking-Please note that the daily limit for withdrawals to an external account is \$1000.00

Requests to withdraw funds will be completed by returning funds by the method in which they were received. Withdrawals for the following methods do not have a daily limit and collected funds can be withdrawn by one of the following:

- Calling Customer Service at 1-844-371-3276 (844-371-EARN) to request
  - A cashier's check payable as the account is titled and mailed to the account holder's address of record.
  - Electronic transfer (ACH) back to the original funding account only.
- Internal Transfer between accounts you own at the bank.
- These accounts do not have check writing or ATM access.

Our practice is to monitor the number of limited transactions. If you are counting the number of transactions you make each month, please note that we count an item on the date we post it to your account. This date may be different from the date you authorize or transfer the item, which means the item may not be counted until a later statement cycle. If you exceed the number of transaction limits on more than an occasional basis, we may convert your account to another type of account or close your account. A fee may be assessed for each transaction that exceeds the limitations. Refer to the Schedule of Fees and Charges.

Rate Information: This account is an interest-bearing, variable rate account. The interest rate and annual percentage yield (APY) are included on the Deposit Interest Rate Schedule. Your account rate will be the rate in effect at the time of receipt of funds, by the Bank, to open the account. The interest rate and APY may change at the Bank's discretion.
